Statement of Work: Growth Reporting and Advisory

Client: Solenne (fictional premium clean skincare brand) **Agency:** Growth Capital (fictional engagement)
Statement date: 2025-08-25 **Term:** 2025-09-01 to 2026-12-31

1. Scope

The agency provides weekly performance reporting and monthly planning for Solenne's direct-to-consumer Shopify store. Reporting covers sales, orders, new and returning customers, discounts and refunds. Wholesale orders are reported separately from direct sales.

2. Key performance targets

The targets below apply to direct sales and exclude wholesale orders.

#	KPI	Target	Period
1	Net sales	$26,767 in total	Q4 2026 (2026-10-01 to 2026-12-31)
2	Returning-customer rate	At least 45%	Each month in Q4 2026
3	Refund rate (refunded units as a share of units sold)	No more than 6%	Each month, 2026-10-01 to 2026-12-31
4	New customers during Black Friday weekend	At least 30	2026-11-27 to 2026-11-30

Monthly net sales targets that make up KPI 1 are held in the monthly plan: October $6,507, November $10,433 and December $9,827.

3. Definitions

- **Net sales** are gross sales minus discounts and refunds. Shipping and taxes are not included.
- **Returning-customer rate** is the share of customers with an order in the period who have ordered before.
- **Refund rate** is the share of units sold in the period that have been refunded.
- **New customers** are customers placing their first order.

4. Reporting

- A weekly summary is sent every Monday.
- A monthly review compares actual results with the monthly plan and explains the largest gaps.
- Targets may be changed by written agreement between the client and the agency.

5. Responsibilities

- Solenne provides access to its store data and confirms promotions and budget changes in advance.
- The agency provides the reports, explains variances and recommends actions.
